About Builders FirstSource:

Builders FirstSource is the nation's largest supplier of structural building products, value-added components, and services to the professional market for new residential construction and repair and remodeling. Our focus is on providing unparalleled service to both large and small customers.

We provide an integrated solution to our customers to help them shorten construction cycle times, reduce construction costs, increase build quality, improve safety, and reduce waste. We manufacture roof and floor trusses, wall panels, stairs, vinyl windows, custom millwork and trim, and interior and exterior doors tailored to the specific needs of our customers. We carry a full line of professional grade building products, such as dimensional lumber and lumber sheet goods and various window, door, and millwork lines. We also offer an extensive range of construction-related services, including design services, product installation, and turn-key framing.

The key to our loyal customer relationships is our 15,000 experienced and dedicated team members, whose priority is the highest standard of service and quality. Our associates have the dedication and local market experience to help each builder or remodeler build better, faster, and more cost-effectively. We combine that dedication and experience with the purchasing power and technological resources of a Fortune 500 company, including our state-of-the-art truss manufacturing facilities, advanced delivery optimization system, and sophisticated on-line portal, to create the best customer experience in the industry. Builders FirstSource even offers a broad range of green building products, including trusses, wall panels, SFI certified lumber, engineered lumber, and Energy Star qualified windows and doors.

Publicly traded on the NASDAQ Global Select Market, Builders FirstSource has over 400 locations, including a presence in 77 of the 100 largest Metropolitan Statistical Areas in the country, and had more than \$7 billion in sales in 2017. Builders FirstSource was formed in 1998 and has grown through both acquisitions and internal investment. In 2015, we acquired our largest competitor, ProBuild Holdings LLC, creating a more diversified company with enhanced scale and truly national footprint. We will continue to use this platform to create value for our customers and shareholders.
