About Trussway Manufacturing LLC:

Trussway products are made-to-order, to your specifications, and delivered when you need them. Our industry-leading sales, design, engineering and manufacturing teams work in tandem with you from beginning to end to help ensure your buildings perform optimally to maximize occupancy rates, lower maintenance costs and improve occupant comfort. There are no designs too complex for our teams.

Our promise is simple: we sell, design and manufacture the best pre-fabricated wood framing components in the building industry. We leverage nearly a half century of expertise, from project conception to completion, to help ensure your builds are accurate, on time, and of high quality. Together, WE deliver living spaces that are quiet, long lasting, safe and comfortable.
